United Arab Emirates

Introduction

This manual is prepared to help a taxpayer navigate through the Federal Tax Authority (FTA) EmaraTax portal, access the Excise Goods list screen and perform the following activities:

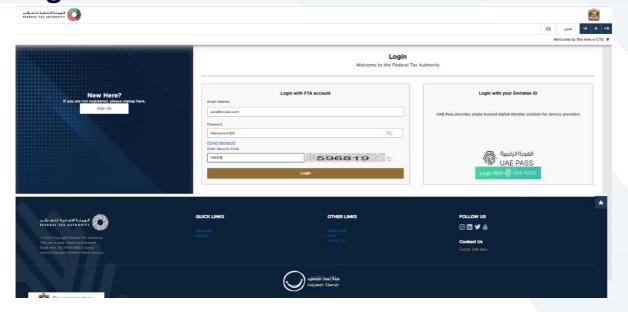

View the list of published excise goods
Select one or more published excise goods and request the
FTA for a change in their item classification (change the
item pictures, website URL, available marketing of the item
to match its best classification.)

View history of submitted requests

Login to EmaraTax

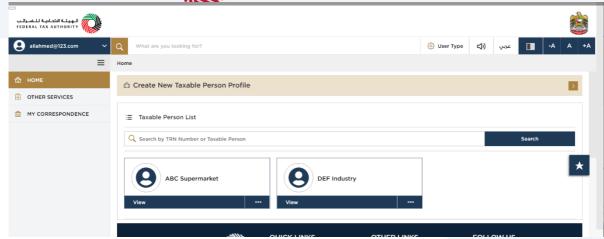

- You can login into the EmaraTax account using your login credentials or using UAE Pass. If you
 do not have an EmaraTax account, you can sign-up for an account by clicking the 'sign up'
 button. If you have forgotten your password, you can use the "forgot password" feature to
 reset your password.
- If you login via your registered email and password, on successful login, the EmaraTax online user dashboard will be displayed. If you had opted for 2 factor authentication, you will be required to enter the OTP received in your registered email and mobile number to successfully login.
- If you wish to login via UAE Pass, you will be redirected to UAE Pass. On successful UAE Pass login, you will be redirected back to the EmaraTax online user dashboard.

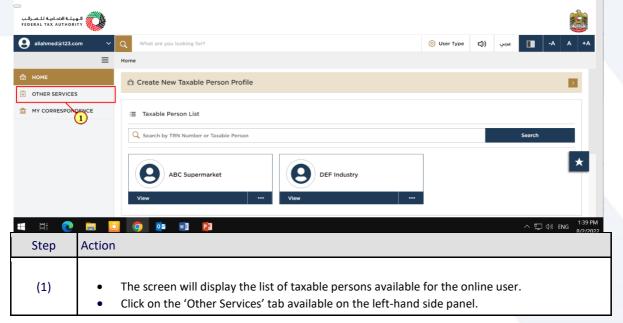

On successful login, the user will be redirected to their EmaraTax online user dashboard.

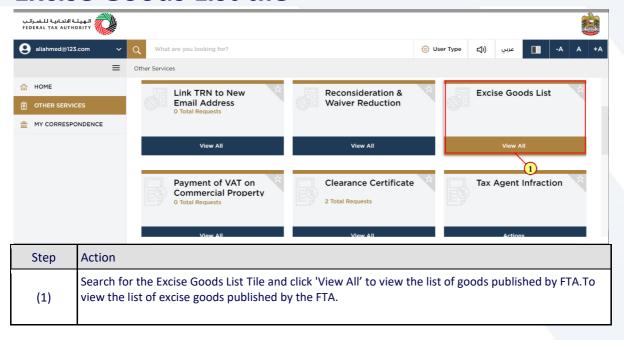

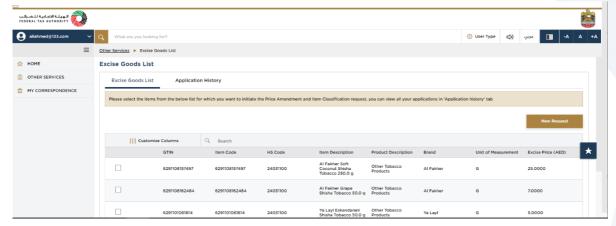

Excise Goods List tile

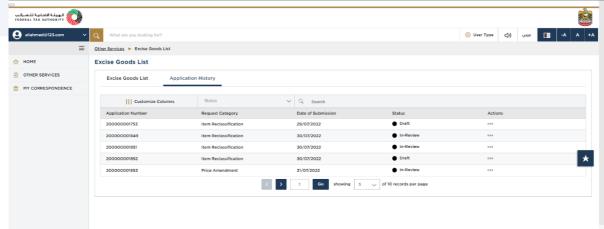

The 'Excise goods list' screen displays the list of all the excise goods published by FTA.

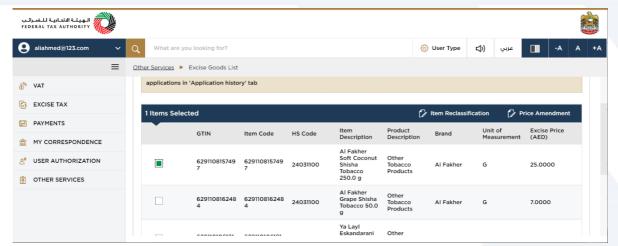

The 'Application History' tab displays the list of all the previous application submitted.

Item Reclassification

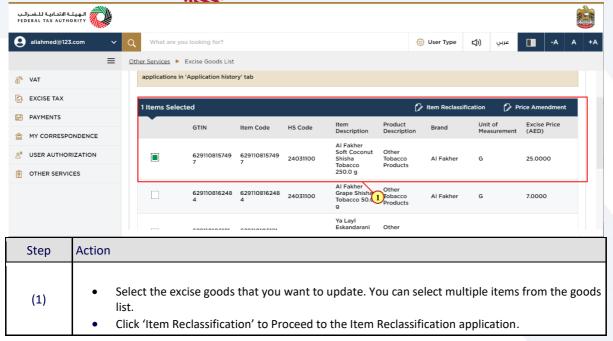

The taxpayer can request FTA to change the item pictures, website URL, available marketing of the item to match its best classification using the "Item Reclassification" option.

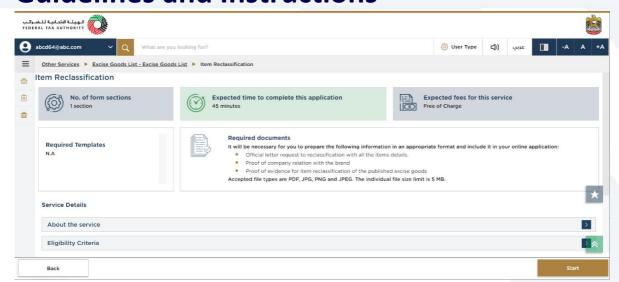

Guidelines and Instructions

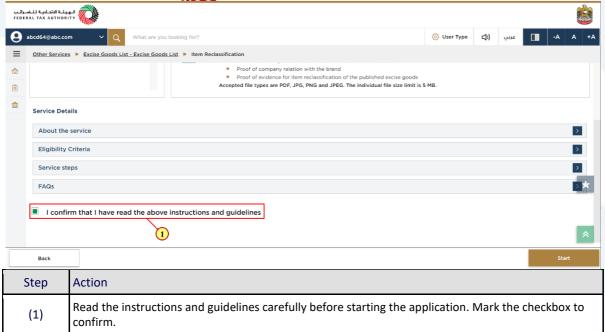

The 'guidelines and instructions' page is designed to help you understand certain important requirements relating to Reclassify the Excise product in the UAE. It also provides guidance on what information you should have in hand when you are completing the Item Reclassification application.

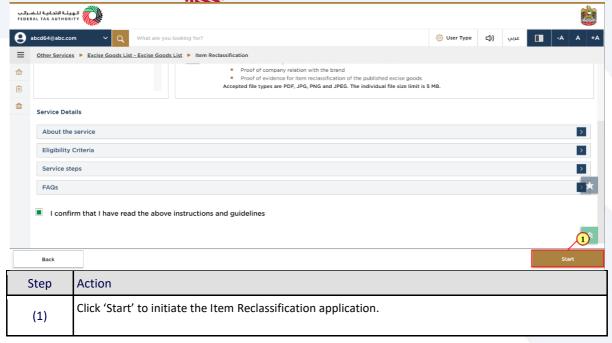

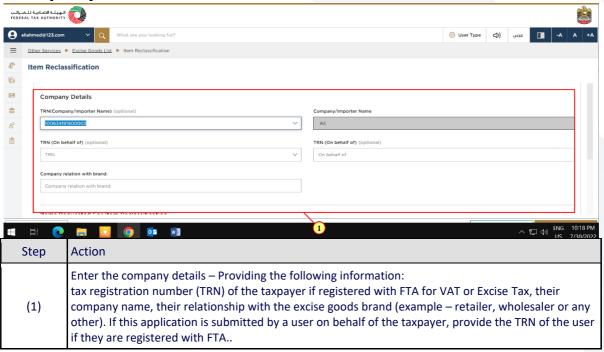

Item Reclassification Application

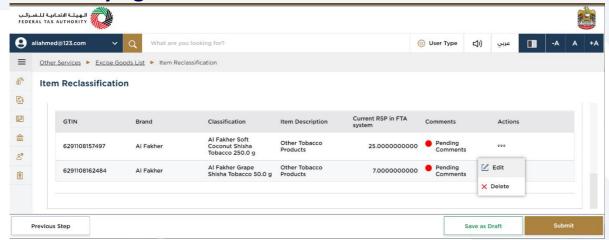

Company Details

Re-classifying each item

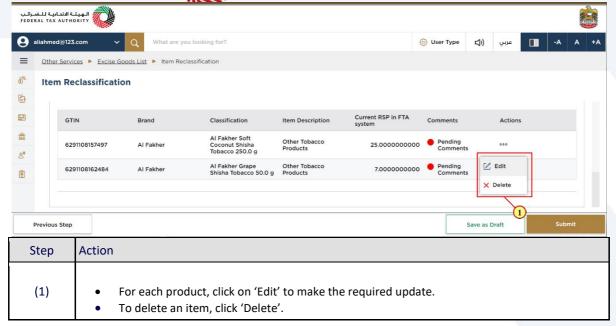

The 'excise goods' selected in the 'excise goods list' screen will be displayed in the application. The "comments" status for each of the 'excise goods' will be set as 'pending comments'. Upon providing the reclassification related information, the 'comments' status will be updated to 'Comments Added'.

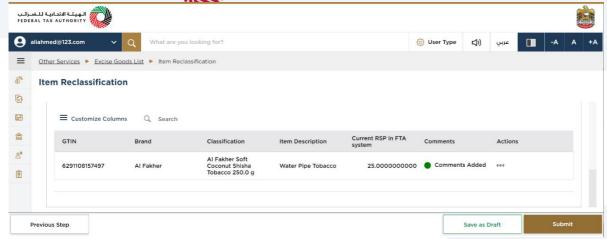

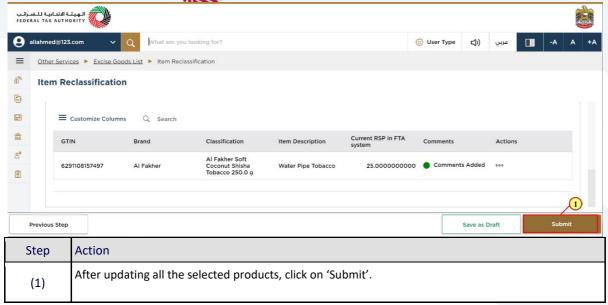

- All mandatory fields of the section must be completed. The fields which are optional are marked as optional next to the field name.
- You will be able to submit the application only after you have provided the required details for all the selected products'excise goods'

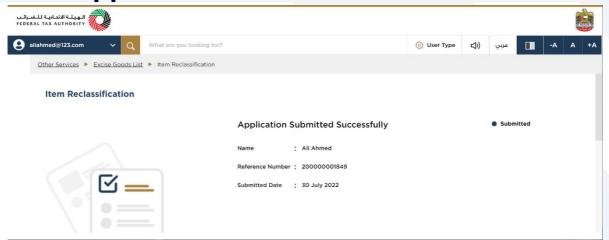

Post Application Submission

After your aplication is submitted successfully, a Reference Number is generated for your submitted application. Note this reference number for future communication with FTA.

What's Next?

- Once the application is submitted, the FTA shall approve, reject or resubmit and notify the
 applicant accordingly.
- If the FTA requires any further details from you in order to assist with the verification of your
 application, you will receive an email notification setting out the information required from
 you.
- Once the FTA confirms acceptance of your application, you will be notified on the decision.
- The status of your application in the dashboard will be updated accordingly. You may check your application status in the dashboard from time to time.
- Read the What's Next and Important Notes'.

Taxpayer receives the following correspondences:

- · Application submission acknowledgment.
- Additional information notification (only if FTA requires more information to assist with their review of your application).
- Application approval or rejection notification.

Thank you
